Dear sir,

Peoples Temple is a non-profit, humanitarian service group committed to meeting the needs of people for food, clothing, and other basic necessities of life. It has started an agricultural mission in the hinterland to assist in this country's FCH programme, a project which should be self-sufficient in 6 years. The members of Peoples Temple include skilled technicians, professionals, and field workers, who donate their services and time without pay. In addition, children in need of a loving home are being taken in.

Any donation of goods or other assistance you can make to this humanitarian work would be immeasurably appreciated. Thank you so much for whatever you can do.

Sincerely,

*Paula Adams*
